Winnipeg, MB R2G 0K2

### MISSION:

The Riverview Health Centre Foundation's mission is to support all of Riverview Health Centre's initiatives through various fundraising endeavours.

It strives to continue the legacy of caring into the 21st century and beyond by enhancing the Centre's ability to meet patient and resident needs in all areas, from medical to social to spiritual.

### Dine by Design Competition and Auction Dinner A Great Success Thank You!

Dear John,

We greatly appreciate your generous auction donation to **Dine by Design** held at the Winnipeg Convention Centre on April 13<sup>th</sup>, 2010. This dinner showcased the personal passions of some of Winnipeg's leading Design talents.

Your donation helped to make this event the great success it was! The funds raised from the live and silent auctions contribute greatly to the overall success of the evening and were an integral part of the fundraising efforts.

In order for the Riverview Health Centre to continue its tradition of providing both outstanding care and state-of-the-art equipment, the Centre needs to replace all of its aging and worn bathtubs. This year, the Dine By Design proceeds of more than \$85,000 will go towards the Bathtub Renewal project at Riverview.

It is fundraising efforts such as the **Dine by Design Gala** that allow Riverview to provide and maintain the type of facility, staff and equipment that we would all want for ourselves and our loved ones.

Thank you once again for supporting our Centre of Excellence, the Riverview Health Centre.

Sincerely,

Ginny Filuk  
Special Events Coordinator

Providing Compassionate  
Care When it is Needed Most
